### About RepRisk

RepRisk is a global leader and pioneer in data science, specializing in premium ESG and business conduct risk research and quantitative solutions. Since 2006, RepRisk has been leveraging artificial intelligence and curated human analysis to translate big data into actionable business intelligence and risk metrics. With daily-updated data synthesized in 20 languages using a rules-based methodology, RepRisk systematically flags and monitors material ESG risks and violations of international standards that can have reputational, compliance, and financial impacts on a company.

Our flagship product, the RepRisk Platform, is the world's largest database of its kind, consisting of 120k+ public and private companies and 30k+ projects of all sizes, in every sector and market. Leading organizations around the world rely on RepRisk as their key due diligence solution to prevent and mitigate ESG and business conduct risks related to their operations, business relationships, and investments.

### Job Description

The Sales Executive plays an important role in driving RepRisk's sales in the UK, focusing on the key growth client segments of banks, insurance companies, asset managers, asset owners, and non-financial corporates. The ideal candidate is highly organized, highly motivated, self-driven, quality- and client-oriented, and enjoys resolving any product and service related problems for our clients and prospective clients, and loves closing deals! She or he represents RepRisk as a premium data provider and helps to maintain RepRisk's excellent service standards.

The Sales Executive is part of our international Sales and Marketing team and reports to the Head of Sales based in Zurich, Switzerland.

His or her primary responsibilities are as follows:

- Driving RepRisk's sales in the UK among banks, insurance companies, asset managers, asset owners, and non-financial corporates;

- Developing a sustained pipeline of accounts by actively prospecting via cold-calls, marketing lead follow-up, personal relationships, RepRisk executive introductions;
- Independently close sales to meet or exceed targets;
- Focusing on new business;
- Liaising with large enterprises and multinational corporations, mainly at senior and decision-maker level;
- Investigating the client's needs, and, through a strong and deep understanding of our industry, recommending the particular RepRisk solutions that best fulfills the identified needs;
- Developing, writing, and delivering value-based sales proposals and responding to client's RFPs and RFIs;
- Negotiating contracts with clients, working closely with the sales management and client relationship management;
- Following the established RepRisk sales process and consistently using salesforce.com to provide timely and accurate reporting of activity and sales intelligence;
- Travelling in the UK and within EU to attend client meetings, events, and conferences.

## Candidate Profile

You are people-oriented and results-driven, have demonstrated presence and energy in past positions or projects, and maintain a pragmatic outlook without compromising quality. A true "hunter", you set high personal standards for performance, deliver on agreements, and bring tasks to a successful conclusion. Getting up and running quickly in different areas of business and working and communicating across cultures should be among your established skills. The position requires strong self-management and the ability to deliver agreed-on tasks and to manage expectations even when under pressure. You are willing to go the extra mile to achieve the best outcome for RepRisk and our clients.

Not-mandatory but highly desirable qualities: deep knowledge of ESG & Responsible Investments, familiarity with the financial sector, existing network of contacts within the London ESG and financial community.

## Education and Experience

- A Master's or Bachelor's Degree from a respected university or college
- Minimum of 5-years of experience in Sales with a proven track record
- (not mandatory but highly desirable): deep knowledge of ESG, Responsible Investments
