

RepRisk for Legal and Compliance

Your third-party due diligence solution

Use RepRisk to integrate ESG and business conduct risks in due diligence and compliance processes

- Conduct ESG-related due diligence of your partners, facilities, and projects
- Integrate ESG and business conduct risk assessments in your Know-Your-Partner (KYP) procedures
- Assess partner and project compliance with internal policies and international standards
- Identify and map ESG risks at the country and sector level

RepRisk solutions help reduce blind spots and shed light on human rights, labor, environmental, and corruption risks

RepRisk ESG Risk Platform

- Stand-alone Software as a Service (SaaS) with easy online access at any time, from anywhere
- In-depth risk research on individual companies, projects, sectors, and countries with the world's largest due diligence database on ESG and business conduct risks
- Ongoing risk monitoring via customizable Watchlists and an email Alert Service

RepRisk Data Feed

- Customized exports of our risk metrics and analytics integrated into your internal risk management and compliance systems
- Systematic screening and monitoring of ESG and business conduct of your partners
- Automated flagging of higher-risk partners and projects via tailored flags

RepRisk works with the world's leading multinationals

Why RepRisk?

- **Exclusive focus on risks** from an outside-in perspective – looking beyond policies to assess a company's actual on-the-ground performance
- **Daily-updated data**, providing timely and actionable information for decision-making
- **Universal coverage**, including listed and unlisted companies of all sizes, sectors, and countries, including emerging and frontier markets
- **Coverage of facilities and projects** such as mines, pipelines, dams, ships, and ports
- **Leveraging big data** via a powerful combination of artificial intelligence and human analysis in 20 languages

RepRisk enables compliance with internal policies and international standards
