

RepRisk for Private Equity

Your daily-updated risk overlay
for ESG integration

Use RepRisk to identify, assess, and monitor ESG and business conduct risks in your investment portfolio

- Apply RepRisk in your investment analysis framework to meet the PRI requirement for ESG integration
- Perform in-depth pre-investment due diligence of the ESG and business conduct risks of a company based on RepRisk's unique outside-in view of the company
- Conduct ongoing screening and monitoring of your investments to check compliance with internal policies and international standards

RepRisk solutions help reduce blind spots and shed light on human rights, labor, environmental, and corruption risks

RepRisk ESG Risk Platform

- Stand-alone Software as a Service (SaaS) with easy online access at any time, from anywhere
- In-depth risk research on companies, projects, sectors, and countries with the world's largest due diligence database on ESG and business conduct risks
- Ongoing risk monitoring via customizable Watchlists and an email Alert Service

RepRisk Data Feed

- Customized exports of our risk metrics and analytics integrated into your internal risk management and compliance systems
- Systematic screening and monitoring of ESG and business conduct risks in your investment portfolio
- Automated flagging of higher-risk companies via tailored flags

RepRisk works with the world's leading private equity firms

Why RepRisk?

- **Exclusive focus on risks** from an outside-in perspective – looking beyond policies to assess a company's actual on-the-ground performance
- **Daily-updated data**, providing timely and actionable information for investment decision-making
- **Universal coverage**, including private companies (more than 85,000), and public companies of all sizes, sectors, and countries, including emerging and frontier markets
- **Unbroken time series** with 10+ years of data
- **Leveraging big data** via a powerful combination of artificial intelligence and human analysis in 20 languages

**RepRisk enables compliance
with internal policies and
international standards**
